Intent to Run for Lodge Officer

Any youth member wishing to run for office (Chief, Vice-Chief, Secretary, or Treasurer) must schedule a conference with the Lodge Adviser and have his approval in order to run. Please do not wait until the last minute to schedule a conference with the Lodge Adviser.

Holding an office in the Lodge is a weighty responsibility that requires a serious time and effort commitment. If you do not think you can meet that commitment, then you should not run for an office in the Lodge.

I understand that if I am elected to the office for which I am running, I will be expected to attend all lodge meetings and functions throughout the year including LEC meetings as well as the next scheduled Lodge Leadership Development Conference. I will attend these meetings unless I am excused by the Lodge Adviser and I understand that it will be my responsibility to contact the Lodge Adviser to get excused. I understand that LEC meetings are held every month.
