WHAT IS THE ORDER OF THE ARROW?

The Order of the Arrow is the Honor Society of the Boy Scouts of America and a brotherhood of honored campers. It is a society of Boy Scouts and Scouters that function as a part of the regular camping program of the Boy Scouts of America. Its foremost purpose is to promote and enrich Scout camping.

The Arrow members in a local Scout council form a lodge (used as in Native American tradition in the sense of the hunting lodge or the council lodge).

Elements of Native American tradition are used in Order of the Arrow ceremonies, for the dramatic effort. However, the Native American aspects of the Order should never obscure its objectives.

“ONE BECOMES A MEMBER NOT SO MUCH FOR WHAT HE HAS DONE, BUT FOR WHAT HE IS EXPECTED TO DO.”

PURPOSE OF OUR ORDER

*To recognize those campers; Scouts, and Scouters who best exemplify the Scout Oath and Law in their daily lives and by such recognition causes other campers to conduct themselves in such manner as to warrant similar recognition.

*To develop and maintain camping traditions and spirit.

*To promote Scout camping and to strengthen the district and council camping program both year round and in summer camp, as directed by the Camping and Activities Committees of the Council.

*To crystallize the scout habit of helpfulness into a life purpose of leadership in cheerful service to others.

PRINCIPLES OF OUR ORDER

Our Order exists primarily as a service organization and especially emphasizes cheerful spirit in the camping part of the program. It is democratic in character: boys are elected to membership by the boys in their own Scout Troop. They elect their own officers, plan their own programs, and carry it out under their own leadership. Adults act as advisers or councilors, but do not run the affairs of the local lodges. Membership is granted to boys and adults “not so much for what they have done, but for what they are expected to do” in service to their fellow man.

Membership in the Order stems from the local unit and serves to strengthen a member’s responsibility to his own unit rather than to draw him away in another program of activities and service projects.

The Order of the Arrow is not a secret society; an air of mystery does surround its ceremonies and meetings, but this is done because of its appeal to boys. Membership in the Order is dependent upon membership in the Boy Scouts of America. Members wishing to be active in the Order must maintain their registrations.
